	Total Marks	100	

5.2. Shortlisting of Technically Qualified Bidders - Only those Bidders whose Technical Proposal get a score of 70% marks shall be declared as technically qualified for financial

evaluation in the second stage. However, if the number of such pre-qualified Bidders is less than two, the Authority may, in its sole discretion, revise the minimum qualifying score to 60% marks.

6. FINANCIAL PROPOSAL

- 6.1. Bidders must meet the technical eligibility criteria mentioned at 5.2 for consideration of its financial bid.
- 6.2. The Bidders are requested to quote the price bid as per the format uploaded online, for preparing their price quote (Refer Annexure C in Volume-IV).
- 6.3. The Bidders shall quote their financial bid in two parts as follows:
 - a) Part -A: Cost of Supply, Installation, Commission of each Smart Classroom, adhering to the specifications provided at Appendix-I.
 - b) Part -B: Cost of annual maintenance of each Smart Classroom

The above costs shall be exclusive of all the taxes, duties and levies in consideration of right to undertake the project.
- 6.4. The lowest aggregated rate of Part-A and Part-B among financial bids submitted by the bidder whose bid is found to be responsive and who is eligible and technically qualified as per terms & conditions mentioned in at 5.2 will be termed as L1 and the rest of the bids shall be ranked in ascending order of price quoted, as L2, L3, L4 and so on.
- 6.5. In case of a tie in lowest rate calculated as per Clause 6.4 above, the Eligible Bidder with the higher technical score will be given preference. If the tie still persists, then the ranking shall be decided by the draw of lots, in the presence of eligible bidder.
- 6.6. In the event that the L1 Bidder withdraws or is not selected for any reason, the Authority may invite the next ranked Bidder to match the L1 rate.

7. AWARD OF WORKS

- 7.1. The technically qualified bidder with the L1 rates shall be selected. However, in view of the size of the project and the need to ensure timely set-up of all Smart Classrooms, the Authority reserves the right to split award of works between multiple technically qualified Bidders based on the L1 rates.
- 7.2. In case of split in award of works, the work will be divided between L1, L2 and L3 bidders in the ratio of 50:30:20. If there are only two technically qualified bidders, the work will be divided between L1 and L2 in the ratio of 70:30. In case of non-acceptance of the offer by the L2 and L3 Bidders to supply at L1 rates, a similar offer shall be made to next lowest Bidders.
- 7.3. The quantity/number/volume of work may be increased or decreased (maximum up to 25% of the total project cost) as per the requirements of the Authority.

8. PAYMENT TERMS

- 8.1. The Payment to the Vendor shall be made in the Hybrid Annuity Model as per the following milestones:

Sn.	Milestone	Amount
-----	-----------	--------
